Chapter 5 - Lying Wolf #2

「守るべき場所」——用心棒の依頼を受けたコイルが向かうその場所は、獣たちが踊り来る「園」。

'ou'd
soon?

Here.

Just
you're
just lying
to me

I
knew
it

a deadly
little punk with
a child-like
character
stupid! (her
mood hard,
huh? you?)

She
hasn't
seen

Parade
me,
you
know

Is
that
the
truth?

If you're
not honest
with me, it
doesn't make
me want to
help you out
of the
ground!

Can't
say I
knew

No
idea

A HA
HA HA
HA HA!

I don't
recall asking
for your
attendance

Hehe!

Whoooo!

Ach!

Get off!

No amount
of attitude
is going to
help your
clothing
right now

2 more
for that's
extra, just
look at ya

Well
aren't you
a flying
owl

Don't
add a
reason
to be so
naive

Hehe!

Hehe!

I'm gonna tie this rope around your body.

then I'll drag you out of the hole with my log.

This might be a bit rough,

but you'll just have to put up with it.

Sorry about that.

If you don't look forward to anything in particular,

you can't possibly be let down, ya know?

I've lived my life just like that,

and it's turned me pretty well so far.

What about

Well, ya can't touch an old brig now anymore, eh?

Ya've made a mistake.

Is that the only way you know how to think people?

I just made some little girl cry, myself.

I've got
a Foster
daughter
in real life
She's all
right,

But now
I've got
all kinds
of Foster
daughters
and sons
running
around
online...

My family
situation
is all kinds
of wrong
right now.

Then
again,
she does
know the
pain

of being
abandoned,
more than
anyone
else.

but I
told her
I could
handle
myself

My
real life
daughter
offered to
take care
of me,

She
even had
tears
in her
eyes

And then
my other
daughter tells
me that I'm
for one being
foolish!

Uh-huh?
There are
just some
things that
you'll never
change
about
yourself

unless
someone
else tells
you to.

once she
and I
was wrong,
I thought
I'd go
ahead and
trust her.

So now
she said
that.

Ahh, who am I kidding?

This don't mean nothing to you, does it?

But that's also exactly why I've got something to teach her

One look at me can tell you I'm a genuine old man,

so I know just how she feels when it seems like just hanging up a bluff and doing your own thing is the only way to go

Ma.

Sometimes I get around to feeling,

maybe it's my turn to do that.

You were like a picture-perfect case of someone who obviously needs help but refuses to ask.

What, you can't tell?

Why did you help me?

So...

I could swear...

I've heard this somewhere before...

Ma.

Obviously, it is known as the **MaMa's Eco**.

This is the name of the settlement the board wants built on.

It's normally called the **"Blood Eco."**

or more often just the **"Eco."**

something's setting off alarm in my head!

I feel like

Get a hangover, I can't remember, but

Learn to pain yourself, but

The Eco is very similar

It may be pretend, but they have a strong community and well-defined Family roles

I'm sure you've seen Dr. Hapgood's group therapy workshop

It's a terrible idea

it does say a lot about the old's personality

Well, I

don't remember or what for of them

Try to listen to them as narrowly as you can

If they decide to tell you about their online Families,

Heh

If you've got nothing better to do, why not let the actual guards and police a bit?

And what's with you two?

Chloe's sleeping right now.

and Rhoo is out somewhere

didn't Rhoo and Chloe tell you not to go around shooting everyone?

Duke.

!!

Don't run off by yourself again!

She **REALLY**!

Get someone to sleep?

Don't take the village. There are guards everywhere.

Don't you dare shoot!

Is that

truth?

Huh?

!?

Miss
Chloe?!

Chloe,
are you
all right?!

Hello?!

That also makes you stupid.

What a good little baby you came straight to me.

Oh my.

Gua
har
har
har!

!?

That
will you
do?

Right
a guy
with such
a stupid
accent?

Why
would I?

You may
surrender,
or you may
try to
run away.

But
if you
do not
choose
one,

you will
have to
fight
me.

He, of course!

!?

What?

Are you talking back again?

not with my friend's company whose boyfriend has just met with a destructive behavior.

Right now, I'm playing the part of a perfect lady.

Yes, wasn't about the trouble? For?

Being in we all life, it doesn't actually hurt to be punished outside!

She is referring to me!

I just wanted something really important!

How did I get displaced by these friends?

When you are 'on time' is all bleed' day, makes get Pick they might get out on it, ah?

I know.

I'm so sorry, Big Sister!

Wooooo

See,

sometimes you can't let two out fly.

What?

Sorry.

was those beauty care for, there?

But I think I'm not of this...

Not really, guess.

All the people there
were so's
that make
them look
the animals

That all
the members
of the people
in the God
were created
by a famous
graphic
designer

Actually,
what I
heard is

I can hear
your voice
travelling,
and you're
desperately
trying to
avoid eye
contact.

You're
not a
very
good
lie.

So,
are
you
a
member
of the
Goo
Team?

NO.

We
could
totally
make it
hang
off it.

There
is
this
one's
claws
won't
hang
either.

Are
you
here?

KOOOO

Are
there
any
other
problems
if
either
one
want
to
do
it
with
them?

What's
all
the
dialing
for?

I've
already
had
someone
steal
my
own
front
button.

Well,

wouldn't
that
be
really
interesting
and
spooky?

What
do
you

think
you're
going
to
do

No,

uh

Just
because
I
could
take
some
screenshots
and
sell
them
for
charities
instead
of
money
to
all
sorts
of
children
for
their
policy,
doesn't
it?

If
your
uniform
really
was
designed
by
someone
famous,

Oh.

We've
not
even
been
told
this
before,
Femur.

Not.

Butt
old man, am I?

The
ain't
good

Yeah

Yeah

All
right?

to
given
your
best
screen
when
I
give
the
signal

Look,
I'm
going
back
your
voice
track
up
to
my
familiar
here
in
it
will

Yeah
?

I've
got
a
favor
to
ask

is
that
you,
Mama?

Hey,

Clearly
the place
is haunted
somehow

Yes,
why
not?

And
what he
learned is,
as DM we
need not
kill his
Fellow.

As! Four
people want
logged on
to the server
good in
plugged

Yes, there's
no other
thing 'and

So
how do
"Yabari"
lighter?

How

Oh,
yes.

or parents
also

their
children,

coming
here.
It's
the
same
strange
adventure
field

As! For
some
reason,
children
also
want
their
parents.

These
matter
then,
yes?

All
right,
I
helped
raise
children
hence
once
or
twice,
but
it's
not
the
I've
ever
gotten
involved
up
again?

Oh,
that
up!
This
has
nothing
to
do
with
me!

It's
just
a
story,
won't
it?

Oh
how
well
they're
talking
about
right?

Oh,
nothing.

What
are you
travelling
for?!

War.

stop-

STOPPPPP!!

War

AAAAAAAA!!

It's nothing! Swamp gas and plasma!

Aa ha ha ha ha ha!

See like some kind of rumble!

How fast?

We'll talk later!

Crash!

Don't you dare Fall off!

Gear!!

Hang on tight!

Bloody
message
over
head!

STOP!

HAL-

Aaah!

Chapter 6 - Lying Wolf #3

It
was
tiny.

was it
small?

I found
the stone
you were
speaking
of, Sir

It can be
useful for
providing
crime or
stealth, but just allowing
the stone
to make
it work takes
hard-to-get
resources.

It's
meaningless
to buy this
on its own.

It can
secretly link
up the streets
of a player
who carries
a specially
altered item
to your own.

What
is it?

I don't
see many
other
players
around here.

Do
you even
get any
customers?

you must
be well
connected,
then.

Don't
worry.

I've
already
had that
taken
care of.

Thanks.

But

no
I'll take
20%
off the
price.

I got
doublets
of it.

But at times, you'll just see a flood of them pour in.

There is a typically low amount of prospective buyers.

Well,

that's a good point.

Just not anything happens any kind of excitement.

As you probably know, seven people committed to this board have died.

What kind of board?

At times?

Today, I'm one of them.

So people keep checking back in, thinking something might have happened.

I see.

If you met one of these people from the Zoo,

What would you do?

So,

For example,

Of course, just sitting around isn't any fun, so I pass the time by killing stuff.

Sometimes they'll keep one of their friends on the lookout, to alert them when to come by.

Tell me
right this
instant!!

Where in
the hell
did you get
this thing?!

Where

.....
.....
.....

This is an
Amulet of Luck!
It's a very
rare item!

So don't
just find
them lying
around on
the ground!

Un-
where?

I just
picked
it up!

Oh come
on, you
don't
expect
me to believe
that!

We're not prepared for anything like that right now! Why are you trying to aggravate the situation?

This is *exactly* what I need!

It's the *same* thing! We're gonna end up fighting those *enemies*!

What do you mean by that?!

Did you shoot *two* those *somebodies*?

I should have figured!

When will you be able to work properly?

Who *are* they?

They came in *enough* trouble!

but how you ever find just *slitting* up and trusting us for *once*?

I know you don't like *Chloe*,

those *and* guys that *Chloe* *loved* for us, right?

What do you mean, *prepared*?

Are you talking about those new "*bodyguards*" or *what*?

Well I think it's *clear*!

who's talking without *feeling* anyone!

And it looks like I'm not the only one!

Don't *talk*!

Not a *person*!

who *are* back and *talking* all day!

trust you.

I'll never

I just figured it out!

I know what this Kumbaya is all about!

You're leaving the team all on your own,

and telling people about it, aren't you?

That's the problem!

I'm not going out and putting fights like you are!

But why are you allowed to?

Because if it happens then all of this stuff starts to come less often, it's good for all of us.

How dare you say that to me!

You think as long as it ends up all right, you can tell all the lies you want?

Well, I'm

But why do you have to?

I have to make up such a stupid story.

It's not like I make up all of it.

They're the ones who embellish it and blow it up.

Plus, it was only thanks to that "stupid" rumor that I got you away from those friends.

So why are you complaining?

Listen,

okay.

Don't touch me!

!!

Just
because
all that
everything
will turn out
all right

How risky
commitment
for you

Lucky
for you,
you're
Telling
board
with,

Shrunk
and

!?

So
everyone
thinks,
oh well,
nothing we
can do
right?

Grandma
here to say
goodbye
to everyone
and later
the Cure

She
kiss for
She's
and

Don't
worry.

I'm not
really
a kid

Good

I haven't
gone telling
anyone else
about it,
and I don't
plan to

They're all
working their
asscheads to
get ready
for your
going-away
party

Because
none of them
know that
Grandpa's actually
going alive to
California
and live the
easy life

Somebody's
going to
have the
fun of
just left
them out in
the cold.

Of course
I'm not
going to
run that
off myself

We're
not
really
bats!

Star

Look

None
of us
are
really
children!

Having
a hair

So why
did you
fall me...

Why did
you only
fall me
the first...

Go back
and have
fun
feeding
everyone
it...

Leave
me
alone!

Besides,
why are
you even
here?

11

I
know
it.

How
still
and
cold!

Just
make
sure

you
never
forget
that.

And
you
are

my
darling
little
daughter

you know, you have the different-sounding things I've ever heard.

try not to get soft all over your dog!

EUNAGHCHUGH

he

Heh!

Great.

!?

drach-
ma?

Geck!

Alagh!

Mer,

actually

See
later!

Are
you all
right,
Grandpa?

You
best
up lots
of
things

'Lookin'
happy
when you
gotta
be an
old man

.....

Well no,
I don't
want
more!

God,
you are
a real
old
frail!

But if
you really
want to
know
that
back,

I can
go through
all the
early little
details.

.....

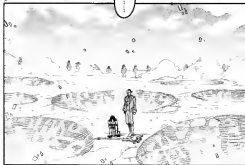

You
want
know
about what's
happening
to me
right now?

There are
a lot of
things you'd
be better
off not
knowing

Look!
Look
what's
flying
now

I bet
you didn't
take your
drinking
off, did you?

Good!
Then let's get dancing
after that
stupid little
wolf girl
and her
antelopean
friend!

There
will be
murder
Very
soon

That's
right

No!
Never!

Has
anyone
who
ever
played
a trick
on me

Ever
gotten
away
with it, without
experiencing
an entire
world of
pain!

HAVE
THEY?!

Terrifyingly
enough,
that has
never
happened!

Arguing
hasn't
even
going to
get us
anywhere

By the
way,
what
should
we do?

No!

There
are a bunch
of people
around you,
right?

If we
tell them
we are
connected
to you, I'm
sure they'll
help us look
for him

What
do you
mean?

It's
seems
to be
happening
I heard
something
about

That's
how
we
want, they're
going
get
some
information
I don't
even
want to
put
into
words

I wonder
just how
much is
possible,
either

You
already
have a
familiar
for
standing!

You
want
to tell
a whole
group of
strangers
about my
handicap?

I want
this
would
happen!

Altogether

There's
a
strategy

I have
nothing
to do
with

Everyone
looked at us
with frowns in
their eyes, like
we just found out
our games day,
or something!

Please,
I really don't know
how to
deal with
that kind
of stuff.

What,
are you
crazy?

It's your
fault for
making us
all show
up in the
first place.

I wish
it would
be an
hour,

so it
looks
like we'll
make it
back in
time.

No,
nothing.

And plus,
the whole
going-away
party thing.

Do
you
know
what?

There's
plenty
of time
with your
going-away
party.

Maybe
being snappy
and rude
things we
go get get.

But
guess what?
I like you
that way.

Shut
up!

!?

What,
are you
already
talking
about
getting
together?

Is something the matter?

What?

Yes.

No.

No.

I'm sorry to hear that.

And speaking of which, I haven't seen Chise around.

at all.

Well,

Well you see,

Chise's gone and ran out on us.

Chise's kind of leached out right now. She's really tired.

Well,

trickier.

That is correct.

We just told you not to go around your mouth.

And this is a man who only apparently knew yesterday.

We have no idea if we can trust her or not.

You never
know when there
might be a
double-crosser
in your midst.

You just
don't know
what kind
of disaster
it could
eventually
lead to.

It's only
natural to
be very
careful
about even
the most
mundane
info. online.

I was
only
speaking
theoretically.

I
apologise
if I've
upset
you.

what's
wrong,
Travis?

But...

do you
know
something?

Over
you.

I have
tried to
analyse the
situation
based on
what I've
been
learning.

But after
all, I was
only here
yesterday.

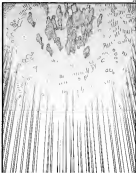

Unfortunately,
I don't
know
what.

it seems like
something
concrete,
not theoretical,
is happening
now.

But,

I

—
Clope

What about that old lady?

We don't mind the king

I doubt she's in much demand

That's a nice reaction

Look

!!

Let's go back some time, right speed.

Back off!

I had found one directly

Ben

Back

Remember
if some some one
parade are killing
one that

Just

don't it,
that?

But on the other hand, they don't character that don't judge as not can't be captured, driver

There's official Little fools, but they be right bastards to work

It takes at least 15 minutes to cap a character, and if the blame moves his just a wee bit, the whole thing falls

The trick is to have the officer bring into a live camera, benching

I thought you could only do that sort of thing with the acceptance of both parties,

but can't there be a way to do it forcibly, too?

There be all manner of tricks in politics, sometimes in that most subtle

To make 'em take their own a hand so much, as gets up control to character

But I don't really feel the need about this...

That's a
familiar girl
you
are.

Look,
it's all over.
That fire is
happening
to her.

As long as
you don't
label your
character alone
and go do
something else,
we've gotta
keep clearing
this old bag up

She's
just gonna
stay here
like this,
and
watch it
happening?

Should
you give
this up
and let
me go
downing?

It's not like
seeing some
stronger girl
fortified
is going
to affect
the girl

I only
stopped
to talk to
her when
I said we
weren't just
normal
kids.

That's
the only
connection
between
us

I've been
rolling
into this
ever and
over

What

None

This is nothing to me.

Why're you so disappointed?

The damn girl.

And her death.

It doesn't look like she's going out of her control.

Because I'm still here?

Why not?

But I can control.

I guess I should just acknowledge that.

I don't want her to keep seeing this.

To go on as if nothing ever happened.

Then she's probably long gone.

I'm getting it.

At night, like I remember her.

She was the last person I wanted to see me looking like this.

And this
another big
randomly
attempt

What
about
I say?

you do realize that she beat me into a pulp?

Well,

She ended up running away in the end

Unfortunately, I won

How many

she would beat you no body

I can't believe

I'm sorry.

See you right.

But Minnie

weren't that a really small thing to do?

Well, it's not like I'm actually hurt by it

I just her do like worst

I'm sorry.

But didn't make much sense

that didn't really come out right.

even though it kind of does,

But don't you see that even if it doesn't really hurt

it can still have people P

I may not really understand.

I understand

I
Heh,
now.

I
understand
exactly
why.

Everyone
seems to
have their
hands full
with that
girl before
forcing
her out.

And at
the end
she runs
out.

As soon
as you come
back to Rias
an argument
begins, which
turns into
a fight!

Like
she is never
even able to
properly
communicate
with her
entire life.

.....

She
wishes
how much
she loves
him.

When she
tries to
find out, it
just happens
whether she
wants it to
or not.

It's the
same for
Gaius.

I
think

Yes,
but,

There are
also other
things, and
the more
things fight.

If you
think I'm
doing this
because
I enjoy it,
you've got
another
thing coming.

Little.

It's true.

She really does love you.

It's not so hard.

Just stop.

It's a pity.

It's hard for her to be honest.
To her feelings.

She's kind of clumsy, an' all.

But I've got to abandon.

When you noticed this, didn't you?

But she always makes sure she's online whenever you come.

Please try to understand.

What she really wants is

But I believe there will be a chance for her to be free, with just a slight provocation.

It is to be together with you.

At any time she can.

*What
happened
to all
that sorry
Fake spunk,
huh?!*

What
the hell
are you
sneakin'
about,
ya little
brat?!

HEY!

If
you're
scared,
then look
at me!

Quit
peerin' yer
peepies,
ya little
strapp!

If
you're
scared,
be
scared
of me!

I hate
that more
than
anything
else in
the entire
world!

And you
should know
it better
than anyone!

And what
gives you
the right
to look
at me with
those eyes
Fake pity?

How
rude is
that?!

Pretty good, isn't it?

Go on,
take a look.

Wake up, girl!

So don't you even think about coming about me!

You sorry little piece of shit!

What the hell is up with you?

Only one thing.

Isn't so one in this world who can kill me.

Worry old keeps like me are unstoppable in this world.

As long as I'm myself, nobody's gonna stand a chance at killing me without my say-so!

Someone
killed you

Someone
from inside
the Zoo...

You've been
pulling all
the strings
to get what
you want
from us.

Falling
from so
well that
even a
fool could
notice

Don't
you get
it yet?

You can't
kill us,
and you
can't stop
us yet...

Thanks
for yet,
I know a
damn good
idea of
who the
traitor is.

Good
work,

That
was your
master, a
Captain
of her
master?

You can't
actually
do a single
thing to us

We've
decided
we're never
going to
give up

What,
is that
the only
reason
you're
here?

So
that
you
can't

All we
have to
do is sit
here and
believe.

And you
know, *he'll*
never forgive
you for
what you've
done to us.

Believe
that he
will come
and tear you
into shreds,
along with
the earth.

Kabuto's
casket

will not
tolerate
your
presence
here.

What?

and I am going to sleep and some pad-ah briches!

So what I'm gonna do

is go right over there,

I am

really, I'm really gonna go off right now

Your secret, I mean

You're not speaking in secret

By the way, you don't forget, do you?

You're so simplistic when you want to show off

and start speaking in secret again

Just shut up, take a step back,

That was that, now, go the hell off!

you really ought to hear what I have to say

Yes, but,

I don't have time to talk,

sorry

What about you being along all this time?

Well, hello?

Thank you, now,

oh, finally get in touch

That's right

It's a little secret I haven't told anyone until now.

What is it, now,

your grand-say?

Plus,

If it's
the wolf
doing the
lying, who
knew
what's come
this time?

The wolf
will come
in the
end of
that story,
didn't it?

He'll be
here any
second

It doesn't
matter how
many of you
wounded
are here,

you'll all
be cleared
up and
restored,
without a
trace left
to mark you
were ever
here.

The head
of ultimate,
unstoppable
evil here

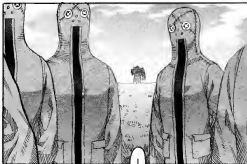

you
couldn't
even
imagine
existing.

Chapter 7 - Lying Wolf #4

so I
tried to find
a winning
slot, and I
accidentally
hit the
vault!

Someone
was
watching
over,

What
is it?

Well,
that's perfect

let's make
it fun,
open
poker
sessions

Well,

you
know
her,

that
should
be
all?

so I'm
sure
he's
still
perfectly
fine

He looks
the way
all these
monster-
trained
idiot's

He's
still
alive.

go

Ready
or?

Go
ahead
and
finish
him
off.

We
need
to
show
these
brats
we
mean
business

Why
low!

I love...

Ahh

Summer's
funny
over there!

No

Should
we go?

Don't be
leaving,
grainoid!

You've
ruined!

well
real
simple
look,
really

that's
not all the
Devil
Summoner
does

he
doesn't
stand a
chance,
then

like
it is?

I've seen
that big
metal guy
they're
ganging up
on now

and if
the summoner
does, all the
summoned
demons'll
run up and
eat his corpse
at once

but if
they summon
a demon
that's not higher
level than the
summoner, it'll turn
on you

They're Devil
Summoners
and
They summon
forces stronger
and the size
blood of other
summoners or
players

to win
the one
who get
the most
summoned
by that
Devil guy

but there
are more
to kill
them

We're
heroes,
after
all

even if we
beat all the
summoners,
we've got
the demons
to deal with

it'll be
rough
though

But because
the number
of demons
the devil
summoner was
controlling,

So if
you kill one
Devil Summoner,
therefore one
one was his
blood as a
medium to
gain control
of a whole
load of
demons at
once

It's not
like your
strengths
are in battle
situations

Stop
trying to
impress me,
it's not
working

But
Goku,

when
I said I
was gonna
kill you, I
was serious
about...

get the
best of the
second
summoner
is getting
control of
'em all at
once, it
takes some
bloody skill

Just make sure I have a chance to show off.

If we're fighting demons and monsters,

Really? Should we just deliver Mother a report on how you've been doing lately?

Don't always, and I could do anything if I set my...

I'll leave the timing for our little plan up to you.

What happens?

It'll be a good opportunity for me to go nuts for once.

That's wrong!

Isn't she gonna get away?

We'll just
take you
one after
another.

Good
way to
get into
all your
captives.

Or maybe
someone
will come
from it to
rescue
you.

If you
think you
can make it,
go ahead!

And
if you
run to
the Zoo,

you'll
lead us
right
to it.

It makes
the person
who lived
you haven't
told you the
location of
the Zoo.

There's
a real
proof of
it.

—
Gee?

This is
just part
of their
psychological
strategy.

Got
that?

Stop
reaching
to every
single thing
she says.

is just
a lot of lie
sprung
up some
temporary
board
visibility
into a big
spooky
"weather"
hall

And that
whole story
she spread
about
Nobuki

Now
understand
all
that talk about
"help on the way"
was bull, right?

Shall I
confirm
that line
of thought
for you?

You're
wrong.

No?

No
what?

NO!

What a
delicious,
lingering
bap.

Also

So the
truth
comes
out.

she was
helping
that
saff!

Grandma
was
helping
us,

"She was
helping
me
saff."

"I know
they were
lies and
I went
along
with it."

See?
You don't
really
believe her
at all,
deep down

Am I
right?

It's not
like the
incomparable
first give me,

What are
you doing
wasting
like that?

just
at all

Oh
all

What?

about
that
"technique"
I know

Oh

I'm pretty healthy and energetic for my age

after all

I mean, it's a lot more reason and convincing if I say that, rather than just saying "goodbye," you know?

I don't really know how I'm supposed to react when you just start looking not working on me.

So, uh...

uh...

You must have known from the beginning

Every single thing she says is a lie.

It's not,

uh...

Then I hope you did *not*, like!

In fact,
now that
they know
you're here,
everyone will
be looking
to come
on down.

For a
size big
'party'

Everybody's
going to
show up
for the
accomplish-
ment of that little
murder
kiddie.

.....

Looks
like it's
waiting.

Just do
a bit more
carving
and she'll
cut off her
connection.

Tag-
me!

That's
a sorry
lot you
are.

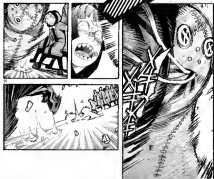

You
have
no
backup,
no
old
card.

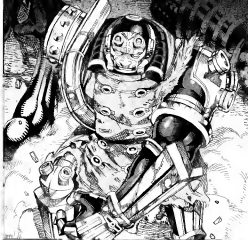

so
you
don't
have
to
face
the
desperate
truth.

All
you
can
do
is
let
the
cover
up
go
along.

WHA?!

There
weren't
too many
of these
Greater
Demons.

By
himself?

Did he
kill them
all?

I can't see
his status
anymore,
but from his
appearance
he's probably
an OSN leader

That's
a lot of
damage

See
that?

??

Take
him down
from long
range.

Just
finish
the job.

I don't
know if
they
shoot
him.

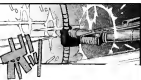

but he
right don't
need to
know they
ranged
weapons.

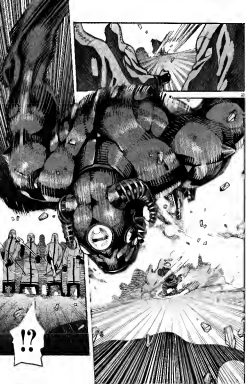

Keep
on a
little bit
longer.

Just
be a
good girl,
at last,

and
watch us
roll this
guy

I can tell from his eyes...

the guy knows what he's doing.

He's not just powerful.

But oh well.

That fire will be over soon enough.

I would have liked to face you in your best condition.

Chapter 8 - Lying Wolf #45

So that's another thing you can do with Dual Beamers!

Interesting

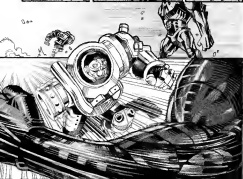

And I've given you enough of a heads-up. Let's go!

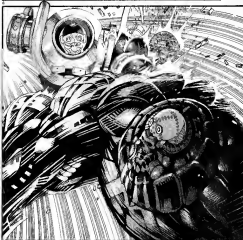

I've got the advantage here.

Enough talk.

Q.E.D.

Lucky for us,
we just got
our hands on
some nice
goods, huh?

Widesse
gloves, I
own someone
a Devil just
like the old
young.

Don't
be afraid!
we just
reached that
control area
after ya.

You
guys

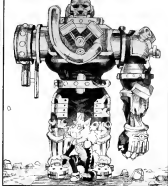

are
the
ones...

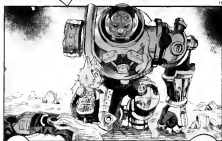

Heyyyyy!!

who

shot...

So,

well, any
we just left
of these
times, eh?

It goes
against my
principles.

Sometimes
I might
give you guys
some good
old-fashioned
teaching.

but with
you Punks,
I'm not into
that kind
of stuff.

I

we

Just look
at what these
admirals
are doing
how don't
even need
to find us
around to
help out

sometimes it
don't go bad
played the
good guy!

Yes.

Prig,

why
did you
help me?

the reason
why that
you just
helped us

You made
a good
decision

Maybe
he he
he he
he

Like
what?

we will
forgetful
moment
important,
and we
will?

See,

Yeah

That last
off comments
is what makes
it so hard
to look these
giving habits

Sotha say,
guys, I
absolutely
love your
style of
response!

Who the hell are you?!

What makes you think this is any of your business?!

Call out and we'll all talk this over!

-hey!

What are you doing?!

See stupid!

Just calm down a bit.

Hold on!

Let me go.

Hehehehe.

You goddamn...

Well, you just grabbed me like that.

I want.

I am.

don't make it.

The Zoo

Tell us

What happened here?

Are you all right?

Thank?

She even
summoned
all those
demons!

It was
her!

She-she
said
she was
from the
G-Cor,
and there
she just
evaporated
me!

20

Which
one is
it?

Really?
No!

Someone
from
the G-Cor
is chasing
a Flare
over there

I
hear

Flare's
going
on?

Someone
stop her!
Anyone!

Hurry!

The little
brat's been
flung
all over
the place!

That
Zoo
Freak!

She
got
away!

She's one
of that
"real-life"
killer's
partners!
The one
who killed
7 people!

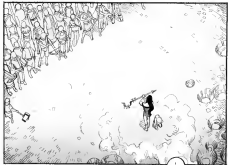

Chapter 9 - Lying Wolf #6

Given the willingness with which you people will attack one solitary little pup,

but we've
only known
her for a
split of
an eye!

you and
I have
known
each other
since my
birth.

We're
in for
a real
show.

I
think.

Just
sit
back
and
watch.

yes, we
not cool
Pagget!!!

I bet
you're
just some
nothing!

Listen
to you
talking
like some
girl!

Who
are you?
What do
you have
to do
with all
this?

Summoning
demons
and flying
and doing
whatever!

She
hasn't
learned
a single
thing!

And look,
she's still
beeping
out here
and
screwing
me.

That
little
slimpy
is one
of Aki
backstab!

That
murdering
sicko!

The reason
you get
attracted is
because
you keep
trying to run,
under fire.

If you
haven't done
anything wrong,
stand here down
face-to-face

Just
let me.

What
are you
flinching and
fretting for,
then?

You've
never
done
anything
wrong?

huh?

Maybe
you should
quit your
damn little
pity-drawing,
huh?

you think
the little red
mole head
who said
that was
summoning
demons

So
stop
whyn.

huh?

huh?

I can't
say I think
much of your
brilliant idea
to all going up
on this little
pop and
kill her!

Or you're
all just a
bunch of
worthless
pricks who
need a handy
excuse to
cause a bunch
of trouble
and let off
stress!

Uu!
The only
reason any
of you would
come here now
is because
you're bored
and looking
for fun!

Is there
a single one
of you people
who know
someone who
might know
another guy
who's even
distantly related
to anyone
actually involved
in that murder
incident?!

I bet not!
This isn't
any of your
business
in the least!

So you
figure you'll
include her,
for her up.

and
try our new
locking modes
you learned of
that 500 bar
you worked
at for a few
months.

I
suppose
you could
try.

My

is,

I'm
not
going
at
back
and
watch
you
spread
her.

Purr

After
all,
she's
my.

What
the hell
you
doing.

WOW...

The

accepts
any
fight
you
give
it

!?

Look,
just
break
him
out,
someone!

What
the hell's
with
him?

Again.

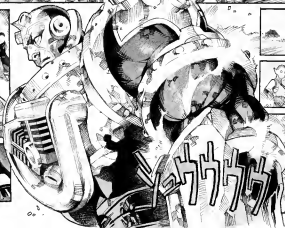

What
you
think
I
can't
fight
demon-
things,
just
because
I'm
a
mage?

AreaPat
Thieves
Guild

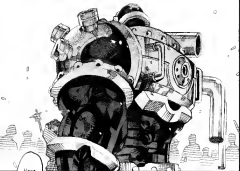

Here
I go

And he calls me crazy!

No way, no way, no goddamn way!

That jerk-of-jerk's hidden skill is "Guts"!

Didn't you figure it out?

No way what?

The problem is that he's almost dead as it is!

Is...

One good hit and he'll be finished!

Guts?

What's that?

If temporarily increase all your attributes in exchange for health!

Couldn't you fall from that show of strength?

You have
to know
what you're
capable of,
and coming
out the
best plan
you can,
based
on that.

We're going
to stay
here, fight
back the
perverts,

and use
teleportation
magic to get
everyone to
safety.

You
but
I can

Yeah,
I can
fight!

Sendo's
a hundred
times better
than you'll
ever be.

So shut
up and
leave it
to him.

You
sound
like a
true
warrior.

What's
with the
pale face
show of
courage?

I'll be too
busy defending
myself while I
recover the spell,
and won't be
able to fight
them back.

It takes
time to
ship up a
magic circle
that will
teleport
several
people at
once.

I'd say,
maybe
three
minutes.

As long
as we
survive,
we'll win.

I'm not
expecting
a whole
lot.

You need to
go back and
help them deal
off the army
so that I have
time to set
up the
spell.

Get that?

At the very minimum, protect yourself!

Scare

I don't know if you should know that

The little girl with the scars on her face is kinda cute

In many ways

It's really, really painful

Can we stop this?

I believe the plan from last on out is to wildly increase the number of torture scenes and facial scars.

So,

20 productions are covered, this would be a total was managed by Volume 1.

So much trauma, folks

Don't get too excited
